Rodeoed for 12 Years

Open rodeos Archer City, Seymour, Bowie, Nocona, Saint Jo, Granbury Burkburett, up in Oklahoma to name a few. My event - bare back riding and the wild mare scramble. Love the change of a horse.

Tried bull riding but lost my thrill of that real quick.

Never won any big money but did win a circuit in Cash Oklahoma back in early 60s. Had lots of fun. Never broke any bones riding horses but did brake 3 ribs one night in the double muggin at Stamford, Tx. The next night I was up in the bare back riding. Needless to say it wasn't very pretty
