

# ALL COWBOY & ARENA CHAMPIONS HALL OF FAME

## Terry A. Bevers

Started trying to ride bulls at the age of 14, continued through high school.

Started clowning rodeos at age 15 - started with Doug and Frank Butcher of Dayton, Texas.

Grew up in Dayton, Texas. The FFA had their now bucking stock and rodeo arena.

At 18 I got my IRA card and started riding bulls and clowning college rodeos for the likes of Smoky Davis and Bradford Ivey. Fought bulls for Ray Lancaster during the mid 80's and that is when I got my PRCA Bullfighting card at the age of 25.

Worked many IPRA rodeos for Don Huffington and some for Joe Simon out of Minnesota. Worked some off weekends at Billy Bob's in Ft. Worth and bullfighting matches all over Texas, Oklahoma and Arkansas.

Finished my rodeo fun riding bulls at the age of 44 in the National Senior Pro's. Made the finals two years in a row with a top finish of 5th in the world.

Now I raise bucking bulls at my ranch in Alvarado, Texas.

Met many a good friend along the way . . . wouldn't change a thing. God has truly blessed me with this wonderful life.
