

## Ronnie Mac Bowyer

I was 11 years old when I won my first AJRA rodeo event in 1957. I was forced to quit in 1960 due to interscholastic league rules which stated you could not compete for money in any other sport and still play football. The following is my record from 1957 to 1960. I have only listed the events that I actually won during that period. I have also explained what I did in the summer of 1960.

In the summer of 1960 I did not compete in any AJRA sanctioned rodeos as mentioned before. I did, however, match rope all comers for 12 weeks with my partner Ronnie Flanagan of Hamlin, Texas. We traveled throughout West Texas, Oklahoma, New Mexico & Kansas and competed at small roping clubs.
