

# ALL COWBOY & ARENA CHAMPIONS

## HALL OF FAME

## Shanna Bush

I grew up on our family ranch in Mason, Texas under the guidance of world champion parents that are in numerous Halls of Fame. I am fourth generation mason county resident. I started out with quarter horse show at the age of four years old and placed at my first rodeo at five years old. I rode my mom's NFR horses and placed at my first professional rodeo at the age of six. In the mid 1970s I won numerous world champions in barrel racing, pole bending and break-away roping alongwith an all-around title. I also won the 4-H finals and AQHA Jr. three world titles in cutting, barrel racing and pole bending. I won the largest

barrel racing futurity in the 1970s on a 2-year old mare, which has never been done again and this mare's colt have gone on to win many futurities, rodeos and NRF..
