40 Years in Rodeo

I started my career as a hair stylist and opened my first hair salon at the age of 21 in San Antonio, Tx. After 13 years, I decided it was time for a change and started teaching cake decorating with Wilton, Inc. for JCPenney's and Montgomery Ward's for 8 years. I visited the Cowboy Artist's Museum in Kerrville, TX and my entire world changed. It was at that time, I decided I wanted to pursue a career in bronze sculpting. Over the

years, I have enjoyed designing and creating thousands of mix media sculptures.
