

ALL COWBOY & ARENA CHAMPIONS

HALL OF FAME

Bill and Tammi Putnam

I began my rodeo career at Cecil Hill's arena in Oak Hill, Texas in 1967. I rode steers and junior bulls for two years, then began riding bulls and bareback horses in 1969. I competed in two events for about four years.

In the early seventies, I began

focusing exclusively on the bulls, competing in the TYRA,

AJRA, RCA (later on PRCA) and Open Rodeos. Went to a whole bunch of Bull Riding events as well.

I kept bulls and bucked bulls at my ranch in Dripping Springs, Texas for many years and enjoyed that very much too.

I retired, with a successful 8 second ride on July 4th, 1993, at the Rodeo in Wimberley,

Texas, to conclude a 26 year Rodeo and Bull Riding career, with lots of incredible memories and great friends along the way!

In 2012, I founded The Bull Riding Hall of Fame, which is located in the legendary

Cowtown Coliseum in the historic Fort Worth Stockyards.
Thank You to The All Cowboys & Arena Champions Hall of
Fame for this induction...I
deeply appreciate it!
