18 Years in Rodeo

Raised in Stephenville, Texas. Graduated Stephenville High School 1966. Enrolled at Tarleton State College - Ranger - Junior college and rodeoed college rodeos.

Started riding bulls in high school, junior cowboy and local riding clubs. Worked for Johnny Hampton raising and selling their cows. Grampa Ed (Pop) Hampton makes sure me and his grandson Ronnie Jack had plenty of bulls to practice on. His oldest grandson Johnny Wayne roped and bulldogged. Ed built a practice arena for us to use, and we used it a lot!

Rode in the CRA, when it first started and went to Finals, bullriding and bulldogging. IRA was going on and went to a lot of their rodeos.

U.S. Army drafted me in May 1968 so rodeoing stopped. Went to Germany to finish out my two years of service. I was a paratrooper and did jump out of airplanes!

I came back, rodeoed a few years but wasn't committed enough - Got a Real Job!

My sister, Son Pistol and I raised bucking bulls on a one place in Murgan, Tx, near Coolidge. Feed, haul and doctor bulls and cows every day now.
