Terry Starnes

2023 ACACHOF Inductee

Terry started as a bull rider but when he picked up a microphone he really found his calling. He has worked so many Texas rodeos it's too many to name, but he worked for Terry Walls rodeos for years. He was on the Board of Directors of the old TRA. He has worked Denton, TX and Pasadena, TX for 20 plus years. He also announced the shows at the Ft. Worth rodeo for 20 years as well. He also worked for Jerry Nelson doing his PBR bullridings for 7-8 years. Terry is a classic in my

opinion. Spent most of his life rodeoing, and I think would be an excellent inductee.

Thanks for your consideration.
