

All Cowboy & Arena Champions Hall of Fame
Board of Directors Meeting
Feb. 7, 2026 Koffee Cup Restaurant – Hico, TX

MINUTES :

Meeting began 12:00 noon.

Attendees : O.D. Anderson, Jim Anderson, Monty Penney, Tim Lamberson & Margaret, Keith Grisham, Billy Jordan, Bert Hargrove, Terry Bowen & Elaine, Eugene Fulton, Ronny Collins, James Craft, Trina Powers Hadley.

O.D. Anderson opened the meeting.

Eugene Fulton gave the invocation.

O.D. Anderson gave a history of the problems that were encountered getting the DBA for the Hall of Fame. James Craft has filled out the DBA for the organization in O.D.'s name. O.D. is setting up a checking account. Paypal donations should be possible within the next couple of months. We can collect donations but we are not a 501 C-3 yet.

O.D. mentioned that we may want to look at a different meeting site for next time.

The question was raised as to the cut-off date for nominations. April 1st is the traditional cut off date.

Ronny Collins and Trina Hadley discussed and answered questions regarding the nomination process, selection criteria, etc. for inductees.

The length of the induction ceremony was discussed. The ceremony typically runs approximately 2 hrs. A 3 hour ceremony was mentioned, but the consensus seemed to be that 2 hours was long enough.

O. D. stated that by induction groups we could have more people present at the induction ceremony.

O. D. brought up the idea of having an induction category of aficionado or philanthropist. Other categories mentioned were couples, animal category, philanthropists that were rodeo contestants.

Ronny Collins explained that at the current time we have two categories: Contestants and Founders inductees. Contestant inductees are limited to a maximum of 15 inductees per year and Founders inductees are a max of 3 per year. Contestant inductees applications go thru the selection committee. Founders inductees are selected by the Founder, O.D. Anderson.

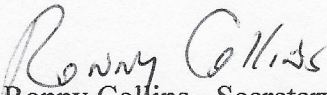

The consensus appeared to be that there was no need for additional categories at this time and any special recognition such as philanthropists or corporate sponsors, etc. could be brought to the board.

Board approved having the Golf Tournament at Lake Waco with Jim, Monty and Keith in charge of it.

Received a donation to pay for the buckles for all the 2026 inductees.

The next meeting will be held April 11 at a site TBD.
