

ALL COWBOY & ARENA CHAMPIONS HALL OF FAME

Pete Lucas

I started High School rodeo in 1954. I rode bulls, bareback Bronc riding & Steer Wrestling. In 1957 I made the High School Finals in the Bronc riding. When I turned 19 I started making all the open rodeo I could get to. Most them in South Texas.

In 1960 I started making SRA & IRA rodeos. Rode with a group called the Oran Aldston Crew.

In 1963 I was elected Vice President and Steer Wrestling Director of SRA. During this time I set an arena record in the Steer Wrestling at a SRA rodeo in Baytown; the record still stands today. I was 2.8 and the next week went to LaVernia and was 3.5 and the next day 3.5 at the Dilly Texas Water Melon Festival.

In 1965 and bought my RCA card and went to all the major shows.

In 1966 I broke my ankle and had to lay off for 1-1/2 years. Came back in 1969 got in touch with the Aldston Crew and did well.
